PRODUCT DESCRIPTION

Create custom LED lighting options for any of your fixture requirements. Retro kits place our high lumen and energey efficiant LED light engines on custom plates with a multitude of accessory options. We will design and create a custom mounting plate for your particular fixture providing a custom LED retrofit package for your existing application.

FEATURES

Energy efficient LED light engine offers high lumen output as well as high efficacy

•Custom mounting plate and accessory options customized to your exact needs

•Compact and optimized LED board for concentrated and powerful lighting distribution

•Three color temperatures available. (5000K, 4000K & 3000K)

•5 Year Warranty

## PERFORMANCE RATINGS AND CERTIFICATIONS

PERFORMANCE SUMMARY

Lumens: 5050
Lumens per Watt: 149.5
CRI-Minimum: 80
Operating Environment: -40C to +50C ambient, non-condensing
IP Rating: N/A

KIT INFORMATION

Finish: Aluminium
Mounting: Customer Dependent
Dimensions: Customer Dependent

ELECTRICAL SYSTEM CHARACTERIZATIONS

Voltage: 120 - 277VAC
Dimming: 0-10VDC
Power Factor: >0.90
THD: <20%

WARRANTY

Standard limited 5-year warranty. Optional 10-year warranty available. Contact GenPro Advanced Technologies for more details.

Specifications are subject to change at any time without notice. For more information and product support, contact GenPro Technologies at 800.465.1286 or email info@genprotech.com
